Greene County Board of Supervisors met at 8:30 a.m. in the courthouse boardroom with supervisors Bardole, Burkett, Contner and Muir present. Absent: Rudolph.

Motion by Burkett, second by Contner to approve the agenda. Motion carried unanimously. Motion by Contner, second by Bardole to approve the minutes of March 20, 2017. Motion carried unanimously.

Chuck Wenthold reported that he and John Muir had attended a pre-construction meeting last week in Boone with MidAmerican Energy representatives and other county officials for the Beaver Creek Wind Project.

Muir then asked for discussion regarding the county's participation (\$24,000 requested) in GCDC's proposed Community 360 development project. Muir believes the county needs to participate at some level to support the project but is not sure of the outcome of the project for the outlying rural areas of the county. Muir said he thought \$20,000 would be a more acceptable contribution, with Supervisor Pete Bardole agreeing. Supervisor Mick Burkett inquired as to the amount of private donations to date, while Supervisor Tom Contner talked about the housing situation and what the area needs. No action was taken.

The first reading of an ordinance compiling the Greene County Code of Ordinances was next considered. Motion by Contner, second by Bardole to approve the first reading of the Greene County Code of Ordinances. Roll call: Aye: Bardole, Burkett, Contner, Muir. Motion carried unanimously.

Motion by Contner, second By Burkett to accept the Treasurer's Investment and Driver's License Report for February. Motion carried unanimously.

Engineer Wade Weiss updated the board on the status of the bell tower work, noting that the electrical work is proceeding. Weiss indicated the bells and framework should be ready for installation toward the middle of May.

Motion by Burkett, second by Bardole to approve claims for payment. Motion carried unanimously.

Chair Muir adjourned the meeting at 9:50 a.m.
